

Laminar Sync Features				
	Accelerate	Ascend	Pinnacle	
Contacts				
Everyone you interact with- prospective customers, current customers, vendors, and so on	Unlimited	Unlimited	Unlimited	
Users				
Invite your entire team—at no extra cost. LaminarSync offers unlimited users on every plan, so you can collaborate freely, assign roles, and scale without worrying about seat licenses or hidden fees.	Unlimited	Unlimited	Unlimited	
Ad Manager (Google / Facebook / Instagram)				
Launch, manage, and monitor your Facebook, Instagram, and Google ads—all from one dashboard. Track ROI, leads, and campaign performance while keeping your CRM and ad data in perfect sync.	\$29 / Month	Included	Included	
AI Integration				
Supercharge your marketing and client communication with Laminar Sync's built-in AI. Instantly generate high-converting emails, texts, and social content with AI copywriting, streamline responses with AI chat, and automate tasks smarter—not just faster. From lead gen to follow-up, AI helps you save time, increase engagement, and scale effortlessly.	Included - Sync Credits Apply	Included - Sync Credits Apply	Included	
API Access				
Seamlessly connect Laminar Sync to your existing systems with robust API access. Automate workflows, sync data across platforms, build custom integrations, and extend the platform's functionality to fit your business needs.	Included	Included	Included	
Booking Appointments				
Simplify bookings with calendar sync, automated reminders, and integrated appointment scheduling that reduces no-shows and saves time.	Included	Included	Included	
Communities				
"Bring your audience together, right where your marketing lives." The Communities feature gives you a private, branded space to engage your customers, clients, or members — without being at the mercy of third-party social platforms. Build forums, discussion groups, and exclusive hubs where members can interact, share, and stay connected	Included	Included	Included	
Conversations (Unified Mailbox)				
Manage all customer interactions from one place—SMS, email, Facebook Messenger, Instagram, WhatsApp, and live chat—so you never miss a message again.	Included	Included	Included	
Courses				
Whether you're coaching clients, training your team, or selling self-paced digital programs, Courses turns your expertise into a scalable product. No third-party tools. No messy integrations. Just one seamless system — where your content, marketing, and follow-up all stay perfectly in sync.	Included	Included	Included	
Customer Relation Manager (CRM)				
Easily manage your leads and customers in one place with detailed contact profiles, smart segmentation, tagging, activity tracking, and conversation history—giving you the full picture at every stage of the customer journey. Keep contacts organized with customizable fields, tags, filters, and dynamic smart lists for precision targeting and segmentation.	Included	Included	Included	
Document Signing				
Send, track, and collect legally binding e-signatures directly within Laminar Sync. Streamline contracts, proposals, onboarding forms, and agreements—all without leaving the platform.	Included	Included	Included	
Email and SMS (Text) Marketing
